

**ALWAYS ENERGY**

ALWAYS ENERGY

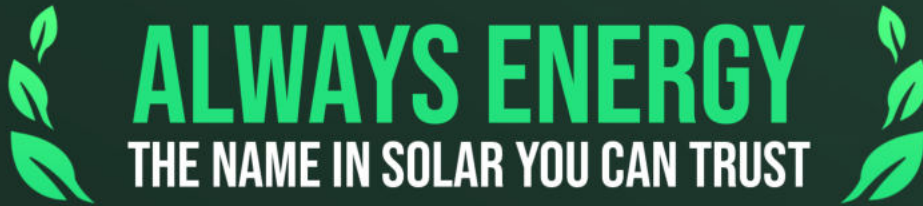

## ▶ ABOUT US

At Always Energy, we put our customers first so we listen to your needs and carefully put together a proposition which focuses on using quality materials and expert installation of solar systems. Our staff comprises of expert personnel who are all Clean Energy Council (CEC) qualified electricians.

We don't sell our products the old-fashioned way. Instead, we believe in building and fostering relationships with our customers. This is why we successfully work with Government, National Builders, Developers, Architects, Commercial and Residential clients.

Always Energy is a solar power company based in Port Macquarie NSW 2444. Our commitment to providing cleaner and affordable energy helps us to work harder and give you the best possible service for solar from Forster and Taree, through the greater Port Macquarie region to Coffs Harbour.

As a trusted local installer of quality solar solutions, Always Energy has a strong reputation of delivering a high quality service backed by a world class solar product whilst being renowned as a leading Local Solar Power Specialist.

## ▶ OUR MISSION

Help Australian homeowners, families and businesses reduce or eliminate their power bills with tailored solar power systems. With a love for great solar technology we provide only the highest quality systems and industry leading warranties.

## ▶ AT THE CORE

We are an environmentally conscious renewable energy company that offers the most eco-friendly, cost-efficient and high-energy generating products and solutions on the solar market!

## ▶ SMART THINKING

With a vast expertise in the configuration, design, and installation of Solar Power Systems, Always Energy offer solar PV systems from 3kW household systems to large scale commercial PV solutions. Whether its grid connect, off-grid, or a hybrid solar system, you can trust Always Energy to deliver a high quality solar system service backed by world class product.
